1 PURPOSE

This Policy describes how Edgcott Parish Council will manage and conduct its administrative arrangements in relation to the requirements of the relevant legislation such as to regulate the efficient and timely compliance with relevant statutory obligations and to deliver its duties in regard to the expectations of the residents of the Parish. It lays out how Councillors and council employees are expected to abide by these requirements.

Council has made every effort to ensure all relevant statutory requirements to which a council is subject are encompassed in this Policy but confirm that, in any event, those requirements apply whether or not they are incorporated herein.

The Council has made every effort to ensure this Policy is consistent with other Council Policies where relevant.

NOTES:

- Where the word "councillor" is used, unless the context suggests otherwise, the meaning is intended to include non-councillors, with or without voting rights, and council employees.
- A 'co-opted member' is a person who is not an elected member of the Council but who has been co-opted onto the Council, or a committee or sub-committee properly constituted by Council, by a majority of elected Councillors at a properly constituted meeting of Council and who is entitled to vote on any question that falls to be decided at any meeting of Council or that committee or sub-committee.
- A 'meeting' is a properly constituted meeting of the Council, any of its committees, sub-committees, joint committees or joint sub-committees.
- Unless otherwise expressed, a reference to a Member of the Council includes a co-opted member of the Council.
- Where gender specific wording is used, meaning is intended to be gender neutral.

2 SCOPE

There are two legally mandated methods in which council must communicate with the residents of the Parish – a free to use open web site and noticeboards within the Parish Boundary.

NALC advice is that social media should not be considered as a reliable, secure means of transmitting formal information regarding Council business.

The Policy covers these methods in so far as it is practicable for each and Council will constantly work to make the website as accessible and usable as possible.

3 POLICY

The Council has specified that conformity with the legislation be a mandatory requirement in the development of its website and from the basis of this Policy. The elements so covered are as follows with links to AbilityNet for more information.:
